LAST CALL FOR STUDENTS TO APPLY FOR NEW STUDENT SCHOLARSHIP PROGRAM SCHOLARSHIPS

STATESVILLE, N.C. – The **deadline of March 15** is quickly approaching for high school students to apply for EnergyUnited’s new scholarship program ‘Empowering the Future.’

EnergyUnited is currently offering two \$5,000 scholarships to qualified students who are currently enrolled in their senior year of high school and who plan to attend a college, university or technical school. The scholarship is designed to recognize students who have exemplified academic success as well as demonstrated a commitment to bettering their community.

To be eligible for the scholarship, applicants must reside or attend school in our service area, submit two letters of recommendation, respond to two essay questions and complete an application which can be found on our website. Applicants must be a student who plans to attend an accredited college, university or a technical school. Applications must be received by email or U.S. mail no later than **Thursday, March 15, 2018**.

For more information on eligibility or to download an application, please visit www.energyunited.com/scholarships. Contact Maureen Moore, Communications Manager at 704-924-2159 or maureen.moore@energyunited.com for more information.
