EV Rate Rollout Coming Soon!

EnergyUnited will launch its new EV Rate in July for members who own a **ChargePoint Home Flex Charger**. This rate offers a special incentive for home charging, a lower rate for kilowatt hours used to charge electric vehicles with the Home Flex Charger. Contact Maureen or Adam if you are interested in learning more about this new rate.

Save the date for **Driving Change**: EnergyUnited's **Electric Vehicle (EV) Event**.

SAVE THE DATE FOR THE BEST DAY EV-ER

What: This festival will feature electric vehicles on display, ride and drives, vendors, food and more!

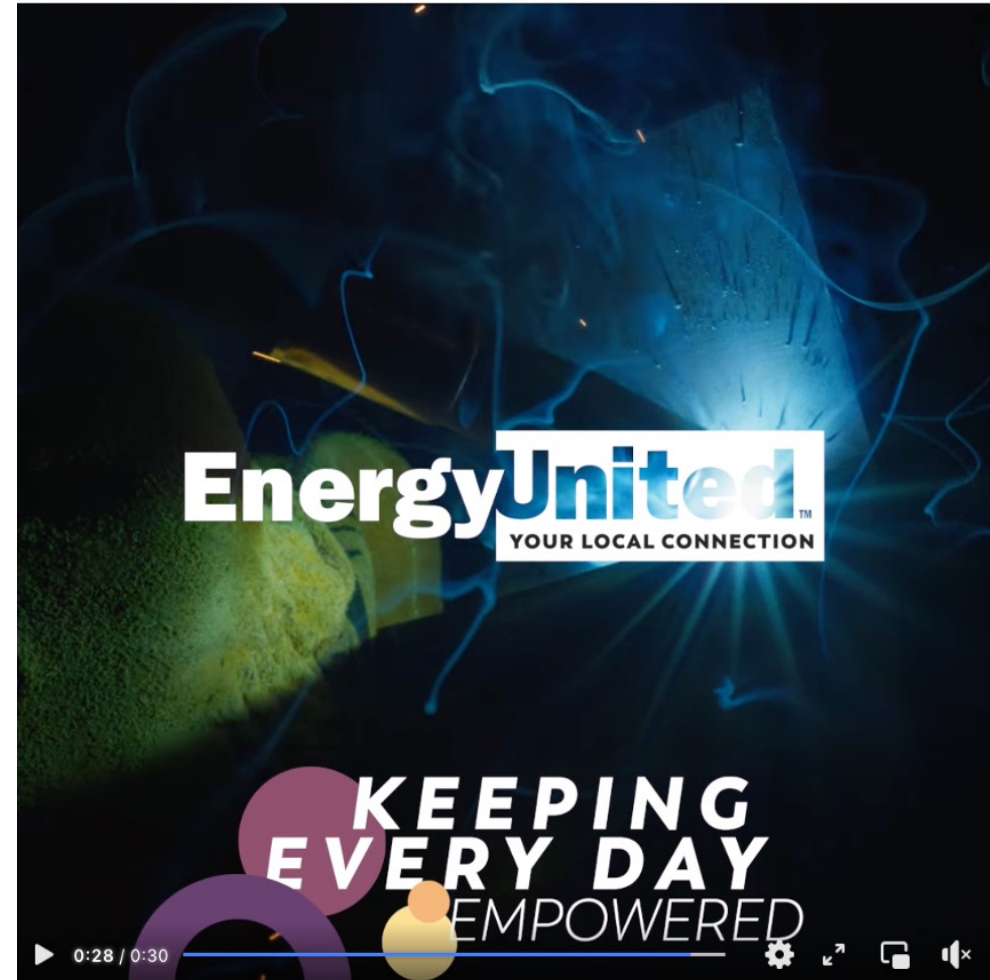

When: September 24, 2022 10 a.m. to 2 p.m.

Where: Career Academy & Technical School (Troutman, NC)

Digital Branding Campaign

Have you seen our digital brand ads? Recent ads have been focused on general branding and our next campaign will be focused on promoting My EnergyHub!

What motivates us? Providing safe, reliable and quality power to our members, so their businesses are empowered to succeed.

EnergyUnited on WAME Radio, Statesville

- Communications Specialist Adam Martin was interviewed by Billy Buck Blevins on WAME Radio on June 1. He was joined by past Bright Ideas grant winner, Ms. Alicia Driver from the Brawley Middle IB School in Iredell-Statesville Schools.

Operation Round Up

Please consider rounding up your bill and encouraging your friends and family to do the same. Through our Operation Round-Up program founded in 1996, members can round up their monthly electric bills to the next dollar, with the difference going to the EnergyUnited Foundation. Monthly donations can range from a penny to 99 cents; on average, individual donations will be about \$6 a year.
