2. As determined by the Board:

- a. the Cooperative may indemnify an individual who is or was a Cooperative Official ("Indemnification Individual") and was made, because the Indemnification Individual is or was a Cooperative Official, an Indemnification Party to an Indemnification Proceeding other than an Indemnification Proceeding:
 - i. by or in the right of the Cooperative in which the Indemnification Individual was adjudged liable to the Cooperative, except for reasonable expenses incurred in connection with the Indemnification Proceeding if it is determined that the Indemnification Individual met the Indemnification Standard of Conduct; or

- c. to provide this indemnification, a majority vote of the Director Quorum, excluding Directors currently Indemnification Parties to the Indemnification Proceeding ("Indemnification Director Quorum"), must determine:
- i. that the Indemnification Individual met the Indemnification Standard of Conduct; and
 - ii. reasonable Indemnification Expenses.
3. Before the final disposition of an Indemnification Proceeding, the Cooperative may pay for, or reimburse, the reasonable Indemnification Expenses incurred by an Indemnification Director, Indemnification Officer, or Indemnification Individual who is an Indemnification Party to the Indemnification Proceeding ("Indemnification Advance") if:
- a. the Indemnification Director, Indemnification Officer, or Indemnification Individual furnishes the Cooperative a written affirmation of the Indemnification Director, Indemnification Officer, or Indemnification Individual's good faith belief that the Indemnification Director, Indemnification Officer, or Indemnification Individual has met the Indemnification Standard of Conduct; unlimited obligation of the Indemnification Director, Indemnification Officer, or Indemnification Individual, which need not be secured, may be accepted without reference to financial ability to repay, may be executed personally or on the Indemnification Director, Indemnification Officer, or Indemnification Individual's behalf, and obligates the Indemnification Director, Indemnification Officer, or Indemnification Individual to repay the Indemnification Advance if a majority of the Indemnification Director Quorum ultimately determines that the Indemnification Director, Indemnification Officer, or Indemnification Individual did not meet the Indemnification Standard of Conduct; and
 - b. a majority of the Indemnification Director Quorum determines that the facts then known to them would not preclude indemnification for the Indemnification Director, Indemnification Officer, or Indemnification Individual under this Bylaw.

Section 6.15 – Insurance.

1. Regardless of indemnification authority or requirement, the Cooperative may purchase and maintain insurance on behalf of an individual who is or was a Cooperative Official.

This insurance is against a liability, including judgment, settlement, or otherwise, or reasonable expenses, including reasonable attorney fees, asserted against or incurred by the Cooperative or the individual in his or her individual capacity, or arising from the individual's status, as a Cooperative Official.

ARTICLE VII – COOPERATIVE OPERATION

Section 7.1 – Nonprofit and Cooperative Operation.

1. The Cooperative:
 - a. shall operate on a nonprofit and cooperative basis for the mutual benefit of all Members; and
 - b. may not pay interest or dividends on capital furnished by Patrons.

Section 7.2 – Allocating Capital Credits.

1. The Cooperative shall allocate Capital Credits as provided in this Bylaw. The Cooperative must allocate Capital Credits in a Patron's name as shown in the Cooperative's records, regardless of the Patron's marital status.
2. The term "Patron" means a Member to whom the Cooperative is obligated to allocate Capital Credits during a fiscal year.
3. The term "Electric Services" means: (1) electric energy Provided by the Cooperative; and (2) as determined by the Board, a good or service Provided by the Cooperative.
4. Each fiscal year, the Cooperative:
 - a. shall equitably allocate to each Patron, in proportion to the quantity or value of the Electric Services Provided by the Cooperative and Used by the Patron during the fiscal year and timely paid for by the Patron, the Cooperative's operating earnings from Providing Electric Services during the fiscal year. Operating earnings means the amount by which the Cooperative's operating revenues from Providing Electric Services exceed the Cooperative's operating expenses of Providing Electric Services, all as determined under federal cooperative tax law.
 - b. may, as determined by the Board, use, retain, or allocate to each Patron, in proportion to the quantity or value of Electric Services Provided by the Cooperative and Used by the Patron during the fiscal year and timely paid for by the Patron, the Cooperative's non-operating earnings. Non-operating earnings means the amount by which the Cooperative's non-operating revenues during a fiscal year exceed the Cooperative's non-operating expenses during the fiscal year, less any amount needed to offset an operating loss.
5. For each amount allocated to a Patron, the Patron shall contribute a corresponding amount to the Cooperative as capital. The Cooperative must credit all capital contributions from a Patron to a capital account for the Patron. The Cooperative shall maintain books and records reflecting the capital contributed by each Patron. At the time of receipt by the Cooperative, each capital contribution is treated as though the Cooperative paid the amount allocated to the Patron in cash pursuant to a pre-existing legal obligation and the Patron contributed the corresponding amount to the Cooperative as capital. The term "Capital Credits" means the amounts allocated to a Patron and contributed by the Patron to the Cooperative as capital.
6. Consistent with this Bylaw, the allocation of Capital Credits is in the discretion of the Board and the Board must determine the manner, method, and timing of allocating Capital Credits. The Cooperative may use or invest unretired Capital Credits as determined by the Board. To secure a Patron's obligation to pay amounts owed to the Cooperative, including any compounded interest and late payment fee, and in return for the Cooperative providing

Electric Services to the Patron, the Cooperative has a security interest in Capital Credits allocated to the Patron. The Patron authorizes the Cooperative to perfect this security interest by filing a financing statement.

7. As reasonable and fair, the Cooperative may allocate Capital Credits to classes of similarly situated Patrons under different manners, methods, and timing, provided the Cooperative allocates Capital Credits to similarly situated Patrons under the same manner, method, and timing. If the Cooperative is a member, patron, or owner of an Entity from which the Cooperative Uses a good or service in Providing Electric Services and from which the Cooperative is allocated a capital credit or similar amount, then, as determined by the Board and consistent with this Bylaw, the Cooperative may separately identify and allocate to the Cooperative's Patrons this capital credit or similar amount allocated by the Entity.
8. Upon receiving written notice and sufficient proof of the termination, conversion, or alteration of a Joint Membership:
 - a. through the death of a Joint Member, the Cooperative shall assign and transfer to each surviving Joint Member an equal portion of Capital Credits allocated, or to be allocated, to the Joint Membership; or
 - b. other than through the death of a Joint Member, and except as otherwise provided by a court or administrative body of competent jurisdiction, and except as otherwise provided by the Joint Members, the Cooperative shall assign and transfer to each Joint Member an equal portion of Capital Credits allocated, or to be allocated, to the Joint Membership.

Section 7.3 – Notification and Assignment of Capital Credits.

1. Within a reasonable time after the end of each fiscal year, the Cooperative shall notify each Patron in writing or electronically of the stated dollar amount of Capital Credits allocated to the Patron for the preceding fiscal year.
2. Except as otherwise provided by the Board or these Bylaws, to assign or transfer a Patron's Capital Credits:
 - a. the Cooperative must receive a written request signed by the Patron to assign or transfer the Capital Credits;
 - b. the Patron and the assignee or transferee must comply with all reasonable requirements specified by the Cooperative; and
 - c. the Board must approve the assignment or transfer.

Section 7.4 – Retiring Capital Credits.

1. The Cooperative may retire and pay Capital Credits allocated to Patrons and former Patrons as provided in this Bylaw. If the Cooperative retires and pays Capital Credits, then the Cooperative must retire and pay Capital Credits in a Patron's name as shown in the Cooperative's records, regardless of the Patron's marital status.
2. If the Cooperative mails a retired Capital Credit payment, then the Cooperative shall mail the payment to the Patron or former Patron's address as shown in the Cooperative's records.
3. At any time before the Cooperative's dissolution, liquidation, or other cessation of existence, the Cooperative may generally retire and pay some or all Capital Credits allocated to Patrons and former Patrons.
4. The Cooperative may specially retire and pay some or all Capital Credits allocated to an individual Patron or former Patron:
 - a. after the death of the individual;
 - b. after receiving a written request from the deceased individual's legal representative; and
 - c. according to the terms and conditions agreed upon by the Cooperative and the deceased individual's legal representative.
5. The Cooperative may specially retire and pay some or all Capital Credits allocated to an Entity Patron or former Entity Patron:
 - a. during or after the Entity's dissolution, liquidation, or other cessation of existence;
 - b. after receiving a written request from the Entity or the Entity's legal representative; and
 - c. according to the terms and conditions agreed upon by the Cooperative and the Entity or the Entity's legal representative.
6. Regardless of a statute of limitation or other time limitation, after retiring Capital Credits allocated to a Patron or former Patron, the Cooperative may recoup, offset, or setoff an amount owed to the Cooperative by the Patron or former Patron, including any compounded interest and late payment fee, by reducing the net present value amount of retired Capital Credits paid to the Patron or former Patron by the amount owed to the Cooperative.
7. The Cooperative may retire and pay Capital Credits only if the Board determines that the retirement and payment will not adversely impact the Cooperative's financial condition. Consistent with this Bylaw, the retirement and payment of Capital Credits are in the sole

discretion of the Board and are not affected by previous retirements and payments. The manner, method, and timing of retiring and paying Capital Credits may be determined only by the Board.

8. As reasonable and fair, the Cooperative may retire and pay Capital Credits to classes of similarly situated Patrons and former Patrons under different manners, methods, and timing, provided the Cooperative retires and pays Capital Credits to similarly situated Patrons and former Patrons under the same manner, method, and timing. If the Cooperative separately identified and allocated Capital Credits representing capital credits or similar amounts allocated to the Cooperative by an Entity in which the Cooperative is or was a member, patron, or owner, then the Cooperative may retire and pay these Capital Credits before or after the Entity retires and pays the capital credits or similar amounts to the Cooperative.
9. As determined by the Board, before the time the Cooperative anticipates normally retiring and paying Capital Credits, the Cooperative may retire some or all Capital Credits and pay the net present value of the retired Capital Credits. If the Cooperative retires and pays the net present value of Capital Credits to a Patron or former Patron before the time the Cooperative anticipates normally retiring and paying the Capital Credits, then the amount of Capital Credits not paid may be used or retained as permanent, unallocated equity, or equitably allocated.

Section 7.5 – Patron Agreement.

1. Each Patron and former Patron agrees that:
 - a. Capital Credits are not securities under state or federal Law;
 - b. The Patron's right to Capital Credits vests, accrues, becomes redeemable, and becomes payable only upon the Cooperative retiring the Capital Credits as provided in these Bylaws, and not upon the Cooperative allocating the Capital Credits; and
 - c. As required by Law, each Patron will:
 - i. report to the appropriate Entity all allocated or retired Capital Credits; and
 - ii. pay the appropriate Entity any tax or similar amount on allocated or retired Capital Credits.

Section 7.6 – Reserved.

Section 7.7 – Reasonable Reserves.

1. Regardless of a contrary Bylaw, and to meet the Cooperative's reasonable needs, the Cooperative may accumulate and retain amounts exceeding those needed to meet current losses and expenses ("Reasonable Reserves").
2. The Cooperative must keep records necessary to determine, at any time, each Patron's rights and interest in Reasonable Reserves.

ARTICLE VIII – DISPOSITION OF COOPERATIVE ASSETS

 - g. no Director will benefit from the Transfer, financially or otherwise, in a manner different from other Members;
 - h. except for a Transfer to an Entity operating on a cooperative basis and Providing electric energy, all allocated Capital Credits are retired and paid at full and non-discounted value contemporaneous with the Transfer; and
 - i. in proportion to the value or quantity of electric energy Provided by the Cooperative Used by Members during the period in which the Cooperative owned a Cooperative Asset, the Cooperative allocates to Members as Capital Credits any consideration

received for the Cooperative's Assets that exceeds the amount paid for the Cooperative Assets.

2. Except as otherwise provided by the Members, after the Members approve a Transfer, the Board may abandon the Transfer.
3. To secure indebtedness by the Cooperative or a Cooperative Subsidiary, the Board may Transfer, mortgage, pledge, dedicate to repayment, or encumber any Cooperative Asset.
