

THIS YEAR, WE'RE RETURNING

\$3.5 MILLION

IN CAPITAL CREDITS.

Cooperation. Just one more perk of being an EnergyUnited member.

SEE BACK FOR MORE DETAILS.

EnergyUnited[™]
YOUR LOCAL CONNECTION

AS A MEMBER OF ENERGYUNITED,

you're also an owner, which means you're entitled to a portion of the revenue we earn in the form of capital credits. It's just one of the many ways we put people before profits.

If you were an EnergyUnited member in the following years, you'll be receiving your capital credits through a check or bill credit, depending on the amount returned to you.
