

PEOPLE POWER HAS BACKUP.

You are one of **more than 126,000 member-owners** of EnergyUnited, the largest electric cooperative in North Carolina. That means you're entitled to exclusive membership perks—one of which is the option to purchase one of the industry's best home backup generators. We partner with leading manufacturers like Generac to keep your lights on and appliances running strong.

ISN'T IT GOOD TO BE A MEMBER?

CONTACT US AT 1-800-522-3793 OR VISIT [ENERGYUNITED.COM](https://www.energyunited.com) TO LEARN MORE.

THE #1 NAME IN HOME BACKUP GENERATORS.
