ENERGYUNITED DENVER PROPANE OFFICE GRAND OPENING

STATESVILLE, N.C. – On Saturday, September 15, 2018, EnergyUnited will be holding an Open House for its new Propane office in Denver, NC. This will be an event welcoming customers and the local community. The event, which runs from 9:00 a.m. - 2:00 p.m., will have tours of the building, food and will be raffling off prizes. Additionally, in celebration of the grand opening, EnergyUnited Propane is offering \$5 propane tank refills. We encourage community members to come out and see this new building and some of the products we offer such as gas fireplaces, gas logs, gas lights, outdoor, fire pits, and water heaters. The new office is located at: *4411 North Hwy. 16, Denver, NC 28037.*

About EnergyUnited Propane In 2000, EnergyUnited Propane started with the acquisition of All Star Gas, and then added other offices in Lexington, Taylorsville and Madison later that year. Since then, EnergyUnited Propane has grown to become one of the largest providers of residential propane in North Carolina, serving more than 25,000 customers throughout the state. Backed by a history of reliability and unparalleled customer service, EnergyUnited Propane offers clean, efficient and affordable propane. In addition to propane delivery, EnergyUnited Propane offers a broad range of products and services to help its customers more fully enjoy the benefits of this versatile fuel. For more information on EnergyUnited Propane, visit www.energyunited.com/propane.
