## **ENERGYUNITED GIVES TO SCHOOL TOOLS DRIVE**

### **STATESVILLE, N.C. –**

Iredell-Statesville Schools has partnered with WSOC-TV's annual School Tools Drive to gather school supplies for local children attending our neighborhood schools. This not only benefits many of the children living in poverty in our region, but also provides assistance to working families that may be financially insecure.

EnergyUnited was able to give and distribute a barrel full of school supplies like: pens, pencils, paper and backpacks. These supplies will be given to students in Iredell-Statesville Schools so that they are well prepared for the school year.
